VOL. XXXVI.

STANFORD, KY., FRIDAY, MAY 15, 1908.

NO. 21.

MIDDLEBURG.

Farmers here are busy and some of the lost time has been made up. Rev. W. G. Tilford preached an interesting sermon at the Baptist church Sunday.

Mrs. Laura Lee has been engaged to drill the children for the Children's Day exercises at Green River church, which insures its success.

Mrs. Laura Lee, Misses Salena Jones, Mary Bryant and Jessie Fogle have been appointed delegates to attend the Sunday school convention at Eubanks May 24, to assist in organizing a Sunday school union.

The Courier Journal's advice to democrats to get together for the coming presidential campaign seems altogether out of taste, coming as it does, from a paper that has done more to bring about dissension than all other sources combined. The truth is the democrats would get together if the Courier-Journal would get out of the party and stay out.

The fiscal court will meet at Liberty May 23 to consider the road question and it is hoped that everybody who favors better roads will be present and make suggestions along that line. The road problem has gotten to be quite a serious one and any advice as to means of improvement will surely be in order. The first step to bring about better conditions is to appropriate means, and it is going to take quite an outlay to put our roads in even a passable condition, to say nothing of making them good. The question of increasing the already heavy tax rate, which will have to be done, is not a pleasant one by any means, and suggestions from those who have clamored for better highways would relieve the court somewhat of the responsibility and probably be productive of better results.

Kentucky Fair Dates.

The following are the dates fixed for holding the Kentucky fairs for 1908: Crab Orchard, July 15, 3 days. Stanford, July 22, 3 days. Georgetown, July 28, 5 days. Lancaster, July 29, 3 days. Winchester, Aug. 4, 4 days. Danville, Aug. 5, 3 days. Lexington, Aug. 10, 5 days. Burkesville, Aug. 11, 4 days. Lawrenceburg, Aug. 18, 4 days. Barbourville, Aug. 19, 3 days. London, Aug. 25, 4 days. Somerset, Sept. 1, 4 days. Paris, Sept. 1, 5 days. Monticello, Sept. 8, 4 days.

There is a Pink Pain Tablet made by Dr. Shoop, that will positively stop any pain, anywhere, in 20 minutes. Druggists everywhere sell them as Dr. Shoop's Headache Tablets, but they stop other pains as easily as headache. Dr. Shoop's Pink Pain Tablets simply coax blood pressure away from pain centers—that is all. Pain comes from blood pressure—congestion. Stop that pressure with Dr. Shoop's Headache Tablets and pain is instantly gone. 20 Tablets 25c. Sold by Penny's Drug Store.

The Court of Appeals, the whole court sitting, reversed the judgment of the Anderson Circuit Court in the suit of Gaines against Editor W. P. Walton, of the Frankfort Journal, for alleged libel. The court says that Judge Peak should have vacated the bench upon affidavits of the defendant. His failure to do so amounted to a judgment against Walton. This decision is eminently just and we rejoice at the decree.—Somerset Journal.

Mrs. S. Joyce, Sullivan St., Claremont, N. H., writes: "About a year ago I bought two bottles of Foley's Kidney Cure. It cured me of a severe case of kidney trouble of several years' standing. It certainly is a grand, good medicine, and I heartily recommend it." Penny's Drug Store.

At the convention of the Kentucky Red Men at Frankfort a resolution revising the by-laws so as to prohibit liquor dealers from becoming members of the order was adopted. J. H. Kemper, of Mt. Sterling, was elected great sachem.

Cures Gapes Instantly.

BARDSTOWN, KY., May 4, 1908. One drop of R 4-11-44 dropped down the bill of a gaping chicken kills the worms and relieves the chicken instantly. When fed in feed or water it is the best preventive I have ever seen. Will Coomes.

Jack Atkin, carrying the top weight of 128 pounds, won the Metropolitan Handicap. Restigouche was second and Don Creole third. The time of the race was fast, Jack Atkin covering the one mile, the distance of the race, in 1:38 3-5.

The ivory market at Antwerp, organized only a decade ago, has become the largest in the world—larger than the two other great markets, those of London and Liverpool.

IN NEIGHBORING COUNTIES.

The wife of Edward Perry is dead at Richmond.

J. H. Wooldridge, aged 74, is dead in the Lebanon Junction vicinity.

Ella Claunch has been appointed post master at Bohon, Mercer county.

John W. Chasteen has been appointed postmaster at Johnetta, Rockcastle county, vice W. C. Scott, resigned.

Robert Graves Coffey, a prominent young man of Columbia, is dead. He was related to the Coffey family of this place.

Mrs. Frankie Bowman, aged 92, died at the home of her daughter, Mrs. Robert Inman, near Willisburg, Mercer county.

Great preparations are being made by the people of Lebanon for the Knights Templar Conclave, which is to be held there May 19 to 21. The city will be decorated in honor of the occasion, a special decorator having been employed. Lebanon has the second largest commandery in the State and has this year broken all State records as to work done.

The court of appeals reversed the Mercer circuit court in the case of the Southern Railway against the Commonwealth. The railroad was fined \$500 in the lower court under indictment under the Jim Crow car statute for alleged failure to provide separate coaches for white and colored passengers between Burgin and Harrodsburg. The reversal is under the exemption in favor of freight train cabooses made by the separate coach statute.

A lynching was narrowly averted on the Cincinnati Southern train which yesterday carried a load of excursionists from Cincinnati to High Bridge, on the Kentucky River. A man who gave his name as Frank S. Cates, of Cincinnati, decoyed Sabin Haynes, a boy 13 years old, out on the rear platform of the car and forced him to drink about half a pint of whisky, the object being, it is supposed, to get the body drunk and rob him. Young Haynes was, however, made violently sick by the dose, and a passenger who had witnessed Cates' conduct reported it to the conductor and the latter arrested Cates. When the news became circulated through the train there were violent threats made against Cates, and a mob of passengers made an effort to force their way into the baggage car, where Cates was held a prisoner, with the declared intention of throwing him off the rapidly-moving train. By locking the doors, however, the crowd was kept from reaching Cates, who was taken on to Ludlow, where he will be tried for his offense to-morrow. Young Haynes had, in the meantime, become unconscious from the liquor and was taken off the train here last night and conveyed to the Good Samaritan Hospital, where he is still very ill. Haynes was on his way from Ludlow to his home in Somerset, and when Cates asked him to take a drink with him he refused, but was later enticed to the platform, where Cates forced the whisky down his throat.—Lexington Dispatch to Courier-Journal.

A Caution.

We've had a little sun
Oh, Spring, since you've begun.
But pish!
We wish
You would cut out the hailing
And snow.
You know.
That is with you a failing.
Some pretty days we've had,
But other days were bad.
With glee
We'd see
You do away with drizzle.
We'd not,
I wot,
Have Spring become a fizzle.

The World's Best Climate.

is not entirely free from disease, on the high elevation fevers prevail, while on the lower levels malaria is encountered to a greater or less extent, according to altitude. To overcome climate affections, lassitude, malaria, jaundice, biliousness, fever and ague, and general debility, the most effective remedy is Electric Bitters, the great alternative and blood purifier; the antidote for every form of bodily weakness, nervousness, and insomnia. Sold under guarantee at Penny's Drug Store. Price 50c.

"Well, she married me, my boy."

"Health Coffee" is really the closest coffee imitation ever yet produced. This clever coffee substitute was recently produced by Dr. Shoop, of Racine, Wis. Not a grain of real coffee is in it either. Dr. Shoop's health coffee is made from pure toasted grains, with malt, nuts, etc. Really it would fool an expert, who might drink it for coffee. No 20 or 30 minutes tedious boiling. "Made in a minute" says the doctor. Sold by Penny's Drug Store.

A special from Washington, Pa., says: Stephen Girard and Grover Cleveland now occupy cells in the Washington county jail. Girard, who is not the founder of a Philadelphia school, is charged with stealing 200 feet of wire. Cleveland, who says he never occupied the presidential chair, was jailed for riding freight trains. Another special says: Wm. Jennings Bryan fell into a coal bin, but it was not Willie from Nebraska.

B. G. Stewart, a merchant of Cedar Biv, Miss., says: "I tell my customers when they buy a box of Dr. King's New Life Pills they get the worth of that much gold in weight, if afflicted with constipation, malaria or biliousness." Sold under guarantee at Penny's Drug Store. 25c.

The attempt made Tuesday by prisoners to break out of the Government jail at Yekaterinoslav, Russia, has resulted in the deaths of 29 of the fugitives. These prisoners were either killed outright or received wounds from which they have since died.

DANVILLE, KY.

The Interior Journal.

E. C. WALTON.

NOTHING but absolute prohibition will satisfy Gov. J. Frank Hanly. He is determined to make Indiana as dry as Maine or Kansas, says a dispatch. He is an eloquent declaimer, and is, next to Fairbanks, the leader in Republican politics in his State. He is the absolute leader of the Anti-Saloon League element. The Governor's speech at the Methodist conference in Baltimore indicates that there will be no let up in his fight against the brewers and distillers in the Indiana campaign, in which he is to take an active part.

REPUBLICAN leaders in Washington, who fear a stampede to Roosevelt, are trying to arrange a harmony programme, which will insure the nomination of Taft for President on the first ballot at the Chicago convention. A part of the plan is to placate the allies by renominating Fairbanks for Vice President and promising Cannon a reelection as Speaker of the House.

SENATOR HEMENWAY, of Indiana, in a statement, asserts that Vice President Fairbanks will remain in the race for the presidential nomination despite the stories to the effect that Mr. Fairbanks would withdraw from the contest. The Vice President may continue to run but he never has been nor will he ever be in the race for the highest office.

WE are for harmony and conciliation in the next State Democratic Convention, and will work to that end. But we want it understood that we shall protest against any premium being placed on bolting. Democratic leaders should be strictly straight goods.—Frankfort Journal. And to this all true-blue democrats will say amen.

SENATOR J. WHEELER CAMPBELL has at last paid the \$1,000 to the State which he collected from the Illinois Central railroad at the time of the encampment of the State troops at Paducah. Mr. Campbell held the money several years, claiming that he did not know what department it should be paid to.

SENATOR FORAKER's abandonment of the fight to secure consideration of his bill reinstating the Brownsville Negro troops is thought to mean that a compromise has been arranged between the Taft and Foraker forces by which Foraker will be returned to the Senate if he will be good.

POLITICAL.

Friends of J. N. Kehoe are pushing him for Congress in the Ninth.

Bills were introduced in both branches of the Louisiana Legislature to prohibit trading in cotton futures.

Gov. Hughes, of New York, says emphatically that he will not accept the republican nomination for vice president.

Gov. Willson will be one of the speakers at the dedication of the Jefferson County Soldiers' Monument at Madison, Ind., on the 29th.

Louisiana Republicans in convention in New Orleans adopted resolutions instructing their delegates to support Secretary Taft for the presidential nomination.

The political managers for Vice President Fairbanks deny the report emanating from Washington that the "allies" are about to abandon the field to Secretary Taft.

A determined effort will be made to nominate Representative Burton Harrison, of New York, as the running mate of William J. Bryan, says a Washington dispatch.

The House passed the Mondell bill providing for homestead entries of 320 acres, instead of 160 on the nonmineral, nonirrigable, unreserved and nonappropriated public lands in several Western States.

Under the provisions of a bill passed by the House the office of Captain of the Philippine scouts was created. This has the effect of providing for the addition of 50 captains to the existing military establishment.

Dr. J. A. Sloan, of Clinton county, has announced his candidacy for the republican nomination to represent the 16th district in the Kentucky Senate. Other candidates are C. R. Hicks, county attorney, and N. H. W. Aaron, a lawyer of Russell county.

The Senate passed the agricultural appropriation bill, immediately after which Senator Foraker gave notice that he would move to take up his bill reinstating the Negro soldiers discharged on account of the Brownsville affair as soon as the post-office bill was disposed of.

In the Senate, Senator Foraker abandoned his effort to secure consideration at this session of his bill reinstating the Negro troops who were discharged from service on account of the Brownsville riot, and moved to make the bill the special order for December 16, next.

The Senate Committee on Finance voted unanimously to report the bill already passed by the House providing for the permanent restoration of the words "In God We Trust" to gold and silver coins of the United States. The motto was taken off the coins by order of the President.

The sundry civil appropriation bill was reported to the Senate Wednesday. It carries \$118,032,263, an increase of \$11,059,398 over the amount of the bill as it was passed by the House.

A bill was passed by the House providing for the protection of owners of United States patents appropriated by the government. The bill permits claims for damages to be filed with the court of claims.

In view of the fact that there is no chance for the passage of the inland waterway commission bill at the present session, Senator Newlands introduced a bill appropriating \$20,000 to carry on the work of the commission until Jan. 1, 1910.

Lewis McQuown, chairman of the Democratic State Central and Executive Committees, has issued a call for a meeting of the State Executive Committee to be held in Frankfort on Tuesday next, 19th, at which time the time and place for holding the next democratic State convention will be selected.

Senator Culberson thinks that after the first ballot at Denver, if Bryan isn't nominated, it will be Pandemonium. But can we elect Pandemonium? —Memphis Commercial Appeal.

CHURCH MATTERS.

There will be no services at the Presbyterian church Sunday morning, the pastor giving way to commencement exercises at the Christian church. The usual services will be held at night.

The protracted meeting which for the past three weeks has been conducted at the Christian church, came to an end Sunday night with about 60 additions. What Shall We Do to Obtain Your Orders For BUGGIES?

R. M. ARNOLD,
Builder of Fine Hand-Made Buggies a Specialty.

Just an hour's drive to see us. We sell direct from the manufacturer to you. We are the best equipped factory in Central Kentucky, saving you all the middle man's profits, even cratage, drayage and freight. So don't be talked into paying more for so-called good buggies that are put up by the shyster carriage factories that build 35,000 a year—when you can buy a hand-made one for the same money—buggies put up to sell, caring nothing about results. What are the results? Shaft-irons break, the wheels go loose in the hubs and the gearing goes loose and comes to pieces about the fifth wheel. We absolutely guarantee you against such defects. We sell our buggies all over the Central part of the State. They are highly recommended by the livermen everywhere. For information call on such men as Vanarsdall Bros., L. B. Givens and Tatum & Son. They are users of our buggies at Harrodsburg. We are also headquarters for all kinds of Carriage Repairing, Painting and Rubber Tiring at factory prices. EVANS.—Mrs. Josephine Evans, widow of Mr. W. F. Evans, died at Danville early Wednesday morning after a long illness. The end came peacefully at the home of her daughter, Mrs. Morris J. Farris. Mrs. Evans was a daughter of R. W. Graham and her mother was Miss Susan Owsley and she was born in this county. She leaves only two children, Mrs. Farris, above mentioned, and Col. Robert G. Evans, and two sisters, Mesdames J. E. Farris and W. C. Price. Their friends and relatives in this county extend sincere sympathies in their dark hour. Deceased was 71 years old and was a most excellent Christian woman. The funeral will be conducted at her late home at 2 o'clock this Friday afternoon, by Drs. W. P. Havey and P. T. Hale, of Louisville, and the burial will take place in Bellevue cemetery.

BOGLE.—Mrs. Chloe Bogle, relict of Rev. John A. Bogle, died at her home at Hustonville Wednesday morning after a long illness. She was born near Danville in 1824 and was the daughter of William Masterson, long since gone to his reward. In 1851 she was married to Rev. Bogle, a well-known and able Presbyterian preacher, and to them eight children were born, four of whom are living. They are Misses Belle, Kate and Lizzie Bogle and Mr. W. M. Bogle, the latter living in New Orleans. All of them were present when the end came. Deceased was a very brilliant woman and notwithstanding her advanced age was a constant reader of good books, and other publications until a few years ago when her eyes grew dim. She was exceedingly well posted on questions of the day and an intensely interesting conversationalist. Mrs. Bogle was a good woman, a kind wife and indulgent mother and it was fitting that she was spared to a ripe old age. Her loved ones are almost crushed by her taking away and for them unbounded sympathy is felt. The burial occurred in the Hustonville cemetery at 3 o'clock yesterday afternoon after a splendid funeral discourse by Rev. S. B. Lander, her former pastor.

DANVILLE.—The Board of Trustees of Central University, awarded to A. W. Walker, the job of rebuilding Breckinridge Hall which was partially destroyed by fire some months ago. Another story will be added to the building and it will be modernized in every particular. Thieves broke into the meat house of R. L. Gose on the Stanford pike last Saturday night and stole a large quantity of seasoned hams and bacon. The services of Lair's blood hounds were immediately secured and they were placed on the trail. The hounds followed the tracks to Duncan Hill, but the meat could not be found. Attorney C. C. Fox has been appointed special judge to try a number of cases in the Garrard Circuit Court. George Lindsey who was detected selling liquors by the Louisville detectives who have been operating in Danville for several weeks, was tried in Police Court and fined \$300. Mr. Luke McDougald, who was seriously hurt in the Burgin wreck some weeks ago, has about recovered. A quiet and beautiful wedding took place Monday at high noon when Miss Nettie Waller and Mr. Thomas Eads were united in marriage by Dr. W. L. Dorgan at the home of the bride's cousin, Mrs. Harry Griffiths, of this place. Miss Waller is the daughter of Edward G. Waller of Third ave., Louisville, and was one of Louisville's most charming young women. She possesses a very beautiful voice and has won a host of friends since coming to Central Kentucky, while Mr. Eads is one of Lincoln county's most prominent citizens, and we extend to them our heartiest congratulations.—Advocate.

If you believe "Like begets like or the likeness of some Ancestor" and have a strictly good cow, you should avail yourself of his service. Hal Woodford, member of the Legislature from Bourbon county, is now doing ordinary farm work, windbroken, gelded and disgraced. "I expect I am the only Derby winner," says Mr. Woodford, whose horse is so deposed.

Tired nerves, with that "no ambition" feeling that is commonly felt in Spring or early Summer, can be easily and quickly altered by taking what is known to druggists everywhere as Dr. Shoop's Restorative. One will absolutely note a changed feeling within 48 hours after beginning to take the Restorative. The bowels get sluggish in the winter-time, the circulation often slows up, the kidneys are inactive, and even the heart in many cases grows decidedly weaker. Dr. Shoop's Restorative is recognized everywhere as a genuine tonic to these vital organs. It builds up and strengthens the worn-out weakened nerves; it sharpens the failing appetite, and universally aids digestion. It always quickly brings renewed strength, life, vigor and ambition. Try it and be convinced. Sold by Penny's Drug Store.

Old Gentleman—I am disappointed in you, sir. Here I've caught you kissing my daughter. Have you anything to say?

Young Man—Only this, sir. I'd rather disappoint you than disappoint your daughter.

Indigestion

Stomach trouble is but a symptom of, and not in itself a true disease. We think of Dyspepsia, Heartburn, and Indigestion as real diseases, yet they are symptoms only of a certain specific Nerve sickness—nothing else.

It was this fact that first correctly led Dr. Shoop in the creation of that now very popular Stomach Restorative—Dr. Shoop's Restorative. Going direct to the stomach nerves, alone brought that success and favor to Dr. Shoop and his Restorative. Without that original and highly vital principle, no such lasting accomplishments were ever to be had.

For stomach distress, bloating, biliousness, bad breath and sallow complexion, try Dr. Shoop's Restorative. It will build—and see for yourself what it can and will do. We sell and cheerfully recommend
